Mona #73

Herman,
You are a good friend and a crazy guy.
I really don't know what to write because
I'm in a hurry. Just stay the way you are.

S.H. 84

Love always,

Paula
Janders

It's your last year and I'm
really going to miss you.

You are the best friend anyone
could have and you are one of
a kind. I really like your style.

I'm not just writing this I mean
it. On graduation night I want a
big hug & if you leave Turrell
I want your address where I
can write. You are a very
special person and we have
had lots of good-long meaningful
talks and I will always cherish
our friendship. Don't forget the
time we went for a long walk
me, you and Jason & it was 108°.
Don't forget all the times we had
together.

Good luck and I hope you get
everything you need and want
cause you ~~deserve~~ deserve it.

R/M/Ao

Love always,

Paula
Janders

but I know your not. We've had many
good times together and we will have
many more in the future. Your a big
Senior now, Herman, and I know how proud
you are. (wait till Graduation night and we'll party
so hardy it'll make your head spin!) I hope you
Find what your looking for in the Army,
besides a good haircut. When you get
your first leave let me know and we'll
get something planned, ok? Herman, you
can do whatever you want, just try.
Best wishes And Good luck.

The Junior-Senior Banquet was held on board the Memphis Queen III this year. This was a new experience for most. It was a lovely night and many stood on the open decks. On the deck one could watch the large paddle wheel and the water lapping the sides. The main course was barbequed chicken and ribs. The meal was a success as the entire trip was. It was something each one will remember for a long time.

Spirit Week brought out the best and the worst in everyone. The majority of the school took part in Hobo Day. Some really looked the part. Let's hope that was their worse. The best came out in the poster contest which was won by 10-3 in Mrs. Hinton's homeroom. The rally for spirit was in preparation for the football game against Westside. It must have worked — we beat Westside 24 to 13!

There was a large turnout for field day and the majority seemed to enjoy themselves. Many new skills were discovered, especially at the horseshoe toss. The most popular spectator event was the tug-o-war. Those not daring enough to try it themselves watched others tempt fate.

Another favorite was the volleyball games. Everyone enjoyed getting yelled at for missing the ball! The track events went really well. Even those who lost were congratulated for just finishing their race!

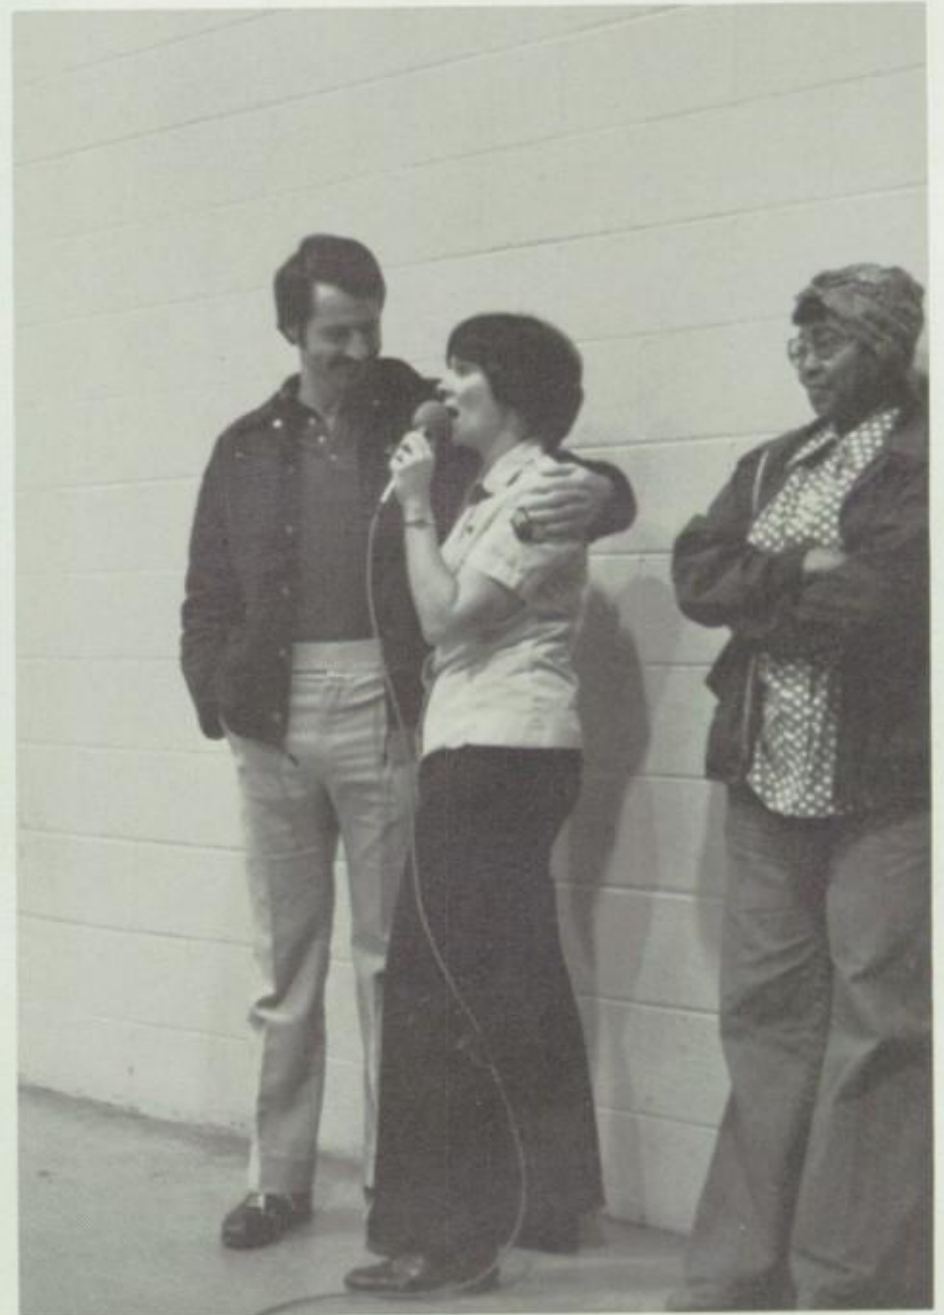

Lunch was everyone's favorite. Foot-long hotdogs, potatoe chips, brownies, popcicles, and Pepsi-Cola were the menu for the day. After lunch everyone gathered in the gymnasium for the annual student-faculty basketball game.
